2. Your TWF Membership must be paid prior to the first Qualifier of the season.
3. No drinking of alcohol during tournament hours.
4. Weight will be determined by your best five Walleyes, no Sauger will be allowed.
5. Possession limits and weigh in limits may be adjusted based on DNR permit restrictions on some bodies of water during the summer season. The tournament Director will announce any changes during the morning registration.
6. No Culling will be allowed.
7. Tournament boundaries will be determined by the tournament committee, and may change based on DNR restrictions.
8. Tournament hours shall run from 7:00AM to 2:00PM.
9. All fish weighed on Green Bay must meet a 15" minimum size in length, All fish weighed on the Winnebago system must meet a 14" minimum size in length.
10. All Wisconsin fishing regulations are applicable.
11. Boats 1 to 15 minutes late will be assessed ½ their weight, after 15 minutes no points will be given.
12. All fish must be kept alive in aerated live wells, no stringers allowed.
13. All anglers must wear a USCG approved PFD while the main engine is operating above idle speed.
14. All boats must check in with the Tournament officials before 6:30AM
15. These tournament rules may be amended by the Tournament Committee to fit each tournament site.
16. If you have boat problems, have to leave the event early, or any other problems during the tournament hours please contact the tournament director or another club boat to let them know the situation.
17. If a problem occurs on the water, another boat may bring your fish in to the scales, with one member of your team to accompany the fish.
18. In case of a split up between team members during the season, the team captain will retain all the Cabela's points.
19. The last boat to register in the morning will be the designated "Release Boat" for that event.
20. The Tournament Director has final say on all other issues that may occur during the event.
21. Each team is allowed to designate a sub for the season. The team captain will hold the points and that sub may be used as many times as needed during the season. Subs do not need to be TWF members but must be club members. (Although it is recommended they are TWF members)
22. If you are awarded a NTC spot through our Cabela's Points standings and one team member cannot fish the NTC, you may use a sub as long as they were a club member and TWF Member during that qualifying season.
23. Per SWC and TWF Rules if you win a Side Pot and one team member cannot fish the NTC you are allowed a sub but that substitute must have been a SWC member during the qualifying season and that substitute must have fished the TWF Side Pot that you won your bid through.
24. Each team is only allowed 1 NTC spot through the SWC, if you are awarded a spot through the Cabela's Points and you win a Side Pot event your Cabela's Points Bid will fall to the next available team in the standings.
25. All NTC Teams that qualify through the SWC will be required to renew their membership dues by the 3rd meeting of the year following their qualifying season or the SWC reserves the right to re-allocate their NTC Bid to another team.

Violation of these rules during an event will amount to disqualification and forfeiting of all accumulated points for the season.

If you violate the club rules by using an invalid substitute partner to fish an NTC that you gained an invite from through the SWC, you will be banned from competing for any of the Club NTC spots for the entire next season. Both Cabela's points series spots and Side Pot spots.
